

# SIES SOP STAR AWARDS 2019

## For Excellence in Packaging

The awards are instituted to recognize the talents among the Packaging Sector, Academics and Students for their efforts in Innovations/Creativity/New Concepts/New Developments in the field of Packaging covering Primary Packaging, Ancillary Packaging, Product Packaging, Eco Friendly Packaging, Printing, Packaging Graphics & Aesthetics, Packaging Machinery and Equipment / Systems, Packaging for Non Packaging Applications, Skill Developments at Academic/Institutional Levels. Whereas the 1<sup>st</sup> edition had a very encouraging response the 2<sup>nd</sup> edition enjoyed further over whelming participation both by number of entries and number of companies besides a larger and wider geographical spread. Besides the categories as enumerated above ***“Presidents’ Special Award”*** is also instituted to encourage work and developments in ***“Sustainable Packaging”***. To promote the endeavours the 2019 would also witness special recognition in ***“Product Packaging”***, eg. Best Package in Processed Foods, Pharma etc.
