

Anuga FoodTec India 2026 and SIES SOP – AFTI Packaging Innovation Challenge

SIES School of Packaging - Packaging Technology Centre proudly participated as a Supporting Organisation at Anuga FoodTec India (AFTI) 2026 from 29 September to 01 October 2026 at Bombay Exhibition Centre (BEC), Goregaon, Mumbai, strengthening its engagement with the food processing and packaging industry while providing valuable networking and learning opportunities for students and professionals. The event was inaugurated in the presence of Mr. Rajesh Kumar Gera, Head of Institution, SIES School of Packaging, who was invited to grace the inaugural ceremony. Throughout the exhibition, SIES actively interacted with industry stakeholders, businesses, technology providers, and visitors, furthering its commitment to industry-academia collaboration.

A major highlight of the event was the SIES-AFTI Packaging Innovation Competition 2026, where students from various SIES institutions showcased innovative packaging concepts, creativity, and problem-solving capabilities. The competition provided participants with a unique opportunity to present their ideas before packaging professionals and industry experts, receiving valuable appreciation, feedback, and mentorship.

The PGDPST (2025-27) team comprising Ms. Harshita Palav, Mr. Vedant Vele, and Mr. Kunal Patil from SIES School of Packaging secured First Prize, while Mr. Vaibhav More and Ms. Ishita Bambal, TY B.Sc. Packaging Technology students from SIES (Nerul) College of Arts, Science and Commerce (Autonomous), secured Second Prize. SIES School of Packaging expresses its sincere gratitude to the management and organising team of Anuga FoodTec India for providing an exceptional platform to nurture innovation, encourage industry interaction, and celebrate the next generation of packaging professionals.
